

**Seton Hall University
Health Services
Assistant Director/Advanced Practice Nurse Position**

Seton Hall University, a premier, private, Catholic university is seeking a highly motivated individual who would be committed to the challenges of an administrative/professional position in an AAAHC accredited college health care facility.

Job Summary:

This is a combined administrative/clinical, full time/12month position reporting to the Director of Health Services. The individual will participate in a comprehensive health care program for students that is designed to enhance student development, foster responsible decision making, and assure accessible, quality medical care.

Responsibilities:

1. Patient clinical management with appropriate monitoring, collaboration and referrals.
2. Provide urgent, emergent and crisis health care to the campus community.
3. Promote wellness and health education.
4. Provide all services with the highest ethical standards while observing state and federal laws and regulations, as well as the University Catholic mission.

Qualifications:

1. 3-5 years in primary health care; college health setting preferred.
2. Experience in Quality Improvement and Quality Assurance initiatives.
3. Excellent technology skills
4. Excellent interpersonal skills
5. Demonstrated ability to work effectively and collaboratively as a member of a multi-disciplinary health care team
6. Experience in coordinating programs/projects
7. Experience in budget management

Licenses and Certificates:

1. Masters prepared candidate, current New Jersey license as an Adult or Family Practice
2. Advanced Practice Nurse
3. New Jersey prescriptive privileges
4. Basic Life Support/ AED Certification
