An inviting career opportunity awaits you as a provider at St. Cloud State University Student Health Services in Central Minnesota! We are searching for a nurse practitioner or physician assistant. Our ideal candidate will have experience working with an outpatient, college-age population. Additionally, experience in women's health, mental health and general primary care is preferred.

As a member of our team, you will help to provide medical care for the 16,000 students at St. Cloud State University. This opportunity is a 0.75 full-time equivalent position which translates into full time during the school year with holidays and much of summer off. Salary is commensurate with experience.

Benefits of the position include:

- Academic year clinic hours are Monday – Thursday 8 a.m. – 5 p.m. and Friday 8 a.m. – 4:30 p.m. with no weekends
- Summer clinic hours are Monday – Friday 7:30 a.m. – 4 p.m.
- Paid vacation and holidays
- Continuing medical education time
- Professional liability insurance provided
- Comprehensive benefits package including life, health and dental insurance, and retirement
- Tuition waiver for self and/or dependents
- Access to high quality specialty care services in the St. Cloud community

If you are looking for a change that allows you to utilize your medical skills in an active, diverse, multidisciplinary team environment, please send your letter of interest, resume and 3 references to kkohmann@stcloudstate.edu. For any questions regarding this opportunity, please contact Dr. Brent Nielsen at 320-308-4860 or by email at banielsen@stcloudstate.edu. We look forward to your application and have set a priority deadline for review of applications for May 1, 2009.
