

TRUMAN STATE UNIVERSITY
IS SEEKING APPLICATIONS FOR:

Nurse Practitioner, Student Health Center, 10 Month position – Benefits Eligible

Truman State University is the highly selective, liberal arts and sciences university for the State of Missouri. It is located in beautiful northeast MO in the City of Kirksville, which is also home to AT Still University and Kirksville College of Osteopathic Medicine, the birthplace of osteopathy. There is a nice recreational lake within 5 miles of the city. Turkey and deer abound and the area is known for its wildlife bounty. Join an excellent staff in a busy college health environment:

Responsibilities:

Responsibilities include the assessment, diagnosis, and treatment of a primarily young adult population in collaboration with the physician and as part of a team of healthcare providers. This position also requires occasional weekend and evening hours, providing educational programming.

Qualifications:

Required qualifications include a master's degree from an accredited program of nursing; current RN licensure in Missouri; and certification/recognition as an advance practice nurse practitioner.

Preferred qualifications include previous nursing experience in a college health or public health setting and nursing experience working with populations of adolescents and young adults.

To Apply:

Submit a cover letter, resume, completed Staff Application Form, contact information for three references, and academic transcripts to:

Truman State University
Human Resources
McClain Hall 102
100 E. Normal
Kirksville, MO 63501

Review of applications will begin June 9, 2009 and continue until the position is filled.
